

## Note: Date Change! Aeronautical Decision Making (ADM): Why We Make the Decisions We Do

We make crucial decisions in the aircraft every time we decide to go fly. But have you ever wondered why you make the decisions you do? Many of our more critical choices before flight and while airborne result from heuristics, biases, and normalized deviations. In this presentation, we will explore some of the reasons we make the aeronautical decisions we do.

**Directions:** Fly In: Park in designated parking area as directed. Walk to D-8 Hangar Drive In: Park in designated parking area (parking fee applies) and walk to D-8 Hangar.
